

## Celebration of World Bicycle Day – June 3, 2023

On the occasion of World Bicycle Day, a grand celebration was organized by the Environment Cell of Haji Anfar Ali College, in collaboration with Doboka Girls High School and Doboka Senior Secondary School. The event aimed to promote the use of bicycles as a simple, affordable, and environmentally friendly means of transportation. As part of a memorandum of understanding (MoU) between the participating institutions, a Bicycle Rally was organized, which turned out to be a resounding success.

The celebration commenced with a lively Bicycle Rally, starting from Haji Anfar Ali College. The rally route covered various prominent locations, including the Main Road and Thana Road, before returning to Haji Anfar Ali College. The objective of the rally was to raise awareness among the participants and the public about the benefits of using bicycles for transportation. It aimed to highlight the importance of reducing carbon emissions, promoting physical fitness, and creating a sustainable environment.

The event witnessed a massive turnout of enthusiastic participants, including students, teachers, staff, and local residents. The combined efforts of Haji Anfar Ali College, Doboka Girls High School, and Doboka Senior Secondary School brought together a diverse group of individuals, united by their commitment to environmental conservation and sustainable living.

The event served as a powerful testament to the growing awareness and support for sustainable transportation methods in the community.

The collaboration between Doboka Girls High School, and Doboka Senior Secondary School in organizing the celebration of World Bicycle Day proved to be a remarkable success. The Bicycle Rally, as the centrepiece of the event, effectively conveyed the message of promoting bicycles as a simple, affordable, and eco-friendly means of transportation.

The celebration of World Bicycle Day will be remembered as a pivotal moment in the journey towards a greener and healthier future. It not only demonstrated the power of collaboration but also showcased the collective determination of the participating institutions and the community to create a sustainable world.
