Introduction:

On September 17, 2023, an orientation program was organized for the hostel boarders of Women's Hostel at Haji Anfar Ali College. The program took place in the Principal's Chamber and aimed to familiarize the boarders with the rules and regulations of the hostel, discuss security issues, highlight the facilities provided, and inform them about recreational opportunities. Additionally, some necessary repair and maintenance works were addressed during the program.

Program Highlights:

1. Rules and Regulations:

The session began with Warden S. A. Osmani and Dr. H. Sultan addressing the boarders. They emphasized the importance of adhering to the hostel's rules and regulations to ensure a safe and conducive living environment. Topics covered included quiet hours, visitor policies, cleanliness, and responsible behaviour.

2. Security Issues:

The security of the hostel was a paramount concern discussed during the orientation. The boarders were informed about the security measures in place and advised on personal safety. Emergency contact numbers were provided, and the importance of promptly reporting any security concerns was stressed.

3. Facilities Provided:

An overview of the facilities provided to the boarders was presented. This included information about the hostel's infrastructure, common areas, sports facilities, and meal provisions. The boarders were encouraged to make optimal use of these amenities.

4. Recreation Opportunities:

Dr. H. Sultan, an Associate Professor of English, and Mr. Sibbir Ahmed Osmani, Warden, discussed the various recreational opportunities available to the boarders. They highlighted the importance of balancing academics with leisure activities and encouraged participation in college events (academic and Non-academic).

5. Repairing Works:

During the program, some necessary repair and maintenance works within the hostel were identified. These included fixing plumbing issues, repairing electrical fixtures, and improving common areas. A timeline for addressing these concerns was established to ensure the boarders' comfort and safety.

6. Plantation Programme - Amrit Brikshya Andolan:

As part of the orientation program, the hostel boarders actively participated in a plantation program under the Amrit Brikshya Andolan. Trees were planted in the college campus to promote environmental conservation and create a green and sustainable environment. The program was a success, and it fostered a sense of community and responsibility among the boarders.

Conclusion:

The orientation program for the hostel boarders at Women's Hostel, Haji Anfar Ali College, was a comprehensive and informative event. It successfully acquainted the boarders with the hostel's rules and regulations, security measures, facilities, and recreational opportunities. Additionally, it addressed necessary repair and maintenance works and promoted environmental consciousness through the plantation program. This initiative aims to create a positive and conducive living environment for the boarders while fostering a sense of responsibility and community among them. The college administration remains committed to ensuring the well-being and development of its hostel boarders.
